Quality Policy

Aberdeen Blast Cleaning Services Ltd recognises that the disciplines of quality, health and safety and environmental management are an integral part of its management function. The company views these as a primary responsibility and to be the key to good business in adopting appropriate Quality Standards.

The Company Quality Policy calls for continual improvement in its Quality Management activities and business will be conducted according to the following principals:

We will:-

- Comply with all applicable laws and regulations.
- Follow a concept of continual improvement and make best use of our management resources in all quality matters.
- Communicate our Quality Objectives and our performance against these objectives throughout the company and to interested parties.
- Take due care to ensure that activities are safe for employees, associates and subcontractors and others who come into contact with our work.
- Work closely with our customers and suppliers to establish the highest Quality Standards.
- Adopt a forward-looking view on future business decisions that may have quality impacts.
- Train our staff in the needs and responsibilities of Quality Management.

To assist the company in achieving its quality requirements it is committed to operating in a manner that sustains registration to the International Quality Standard ISO 9001:2008

It is the Company's belief that, in operating to these standards, it will meet the requirements of its Customers and the Industry.
