Health and Safety Policy

Aberdeen Blast Cleaning Services Limited recognises that the disciplines of Quality, Health and Safety and Environmental Management are an integral part of its management function.

Aberdeen Blast Cleaning Services Health and Safety Management System and this Policy:-

- Reflects our commitment to comply with applicable legal and other requirements, prevent pollution and continually improve;
- Uses the Health and Safety Policy as a 'framework' upon which to develop and monitor our objectives and targets;
- Is sufficiently clear in order to be understood and implemented by internal and external interested parties;
- Is periodically reviewed and subsequently revised to reflect changing conditions and information;
- Is relevant to our Scope of operations defined within the Management System and will reflect the unique nature, scale and impact of our activities;
- Will be communicated to all persons who work for us or on our behalf, including Contractors, to ensure that they are made aware of their individual obligations.
